Terms & Conditions:

1. Minimum Order Quantity (MOQ): 300 units per product variant
(Includes full product with packaging, labeling, and branding — ready for sale.)
2. Packaging costs may vary depending on container type, size, and customization.
3. Standard packaging options are available; custom packaging can be arranged upon request.
4. Label design and branding services are available (additional charges may apply).
5. Product range includes skincare, hair care, and personal care categories.
6. Production lead time: 10–21 working days, depending on order size and customization.
7. 70% advance payment required to begin production; balance due before dispatch.
8. Free product consultation available before placing your order.
9. Product samples can be requested before placing bulk orders
(sample charges apply)
